Kramer Corporation  
Attn: Dan Sulkoske  
515 North green Street  
Brownsburg, IN 46112

Contract Amendment:

Dan,

As I advised you on the phone Friday the Town/ARC would like to amend your contract to reflect your company's services based on an hourly fee. This, because the Avon Police, Court, and Emergency Services Facility is close to completion and a constant review of the ongoing construction is no longer necessary. We may; however, wish to consult with Kramer Corporation about specific aspects of this project and thus the need for an hourly rate.

Please send the ARC a contract amendment proposal that reflects the use of Kramer Corp. on an hourly basis.

We would like to thank Kramer Corporation for assisting the Town of Avon and the Avon Redevelopment Commission with this project. Without your input many deviations from the contract may have gone un-noticed and uncorrected. The Town of Avon has a better facility because of your oversight.

Sincerely,

Mark A. White  
Assistant Town Manager
